# Project Promotion

## Divestment & Acquisition of Farm-outs, Asset Sales & Trades

### Divesting?

Use EzDataRoom project promotion to:

- Distribute your flyer and a project summary to hundreds of companies who have registered to be notified about new opportunities in your project region
- Extend the introduction to 1300+ companies with our monthly new venture summary email
- Highlight your contact details so interested parties will contact you directly
- List your project on our FREE TO VIEW web site

Unless your project is Private the more companies that know about your opportunity the better - you will be surprised at the interest from companies you did not know.

Through EzDataRoom's extensive global network you can be assured that your project will reach the right person in the right company.

Our FREE to VIEW Project Listing web site receives ~1000 visits per week by companies looking for new opportunities.

**Average success rate increased to ~80% when combined with an online data room** (Ask for details)
