

Promotion of Farm-outs, Asset Sales & Trades

Promoting your project widely increases the number of interested companies so you receive more enquires and more offers - Finding that elusive investor is important to us and you.

Use EzDataRoom’s Project Promotion service to quickly and efficiently introduce your project to a receptive global audience of New Venture professionals.

With over 1300 companies and 3000 key decision makers registered to informed of New Venture opportunities by email and personal telephone contact you are assured that your project is introduced to the right people in the right companies right from the start.

Alternatively, if your project needs to be handled more discreetly, we can do that as well – ask for details.

Save your time and costs to reach the widest audience with EzDataRoom’s project promotion service.

- Specialized marketing material (flyers & IMs)
- Person-to-Person phoning to introduce project
- Highly effective monthly reminders
- Inclusion on our project listing web site
- Display of flyer and project explanation at conferences
